Most Hafiza Khatun Mim

Student of WUB

As a passionate and ambitious Computer Science student, I am committed to broadening my knowledge and skills across diverse areas. I thrive on learning new technologies and have a strong desire to work on innovative projects. Currently serving as the Secretary of Media and Public Relations at the WUB Computer Society, I take pride in organizing and promoting events that engage the student community. My involvement in co-curricular activities has helped me hone leadership, communication, and teamwork skills, enabling me to handle multiple responsibilities effectively.
